

LETTER OF APOLOGY

I accept that the post 'Woffles Wu case hits a nerve' posted on 18 June 2012 which I had put up scandalised the Courts of the Republic of Singapore.

I apologise for committing that act of Contempt of Court, and have taken down the offending post. I will not in future put up any post to the same or similar effect.

I also accept that in my post I had seriously misrepresented various facts in relation to the Woffles Wu case.
